

# After School at Laurel 2018-2019

Laurel School happily offers enriched, supervised after-school care for children in Early Learners through Eighth Grade from dismissal until 6:00 pm, when school is in session. We are also pleased to offer a wide-selection of classes and clubs for students which may be purchased separately.

In order to provide the appropriate setting for each student, we divide our programs by grades.

## Early Learners – Grade 6 Supervised Play

Supervised Play meets in the Pre-Primary and Primary classrooms at Laurel which are conveniently located near our beautiful playgrounds and spacious Multipurpose Room. Classrooms are divided by grades to offer a quiet space for homework, a relaxing place to read a book, enjoy a snack or a place to run and play. Pre-registration is required.

## Grades 5-8 Middle School Homework Room

Life in the Middle School isn't predictable. School plays, sports and other extracurricular programming demand flexible options for Middle School parents. All Middle School students who remain at Laurel after 3:45 pm are required to be under the supervision of an adult either through the Middle School Homework Room or in other structured programs such as clubs, rehearsals or sports. For this reason, we offer special pricing options for our Middle School families.

The Middle School Homework Room provides a supervised, comfortable environment for students when they are not involved in an after-school activity to complete homework, enjoy a snack and a good book or play a relaxing game with a friend. Students involved in Middle School activities who are not picked up at the conclusion of the activity, will be sent to the Middle School Homework Room and will be billed a drop-in fee for the day.

*Pre-registration is required.* Families may register for a single day, by sports season or between sports seasons. There is also a drop-in fee which is billed monthly. Prices for classes are in addition to Middle School Homework Room fees.
